Dear Parents/Guardians of Students at Frankfort-Schuyler CSD:

The Frankfort-Schuyler Central School District is looking for your input, opinions and feelings regarding your interactions with our school district in order to continue to improve the culture and climate of our buildings.

We are asking you to complete a short survey which will help us better serve our students. This short survey will be available for you to complete at our website: [www.frankfort-schuyler.org](http://www.frankfort-schuyler.org). After accessing the website you will find the survey under "For Parents" and then "Targeted School Information". Please fill out the appropriate survey depending on which building your student(s) attends school.

Your participation in this survey is completely voluntary and your responses will only be released as part of group summaries for data purposes. We ask that you complete this survey by no later than May 25, 2022.

We appreciate your feedback and support as we move forward and continue to create a positive experience for your student here at FSCS.

Thank you,

FSCS Administration Team
