About Me

I was born, raised, and went to school in Brookfield, NY. I attended MVCC and Siena College and received a BA in Religious Studies. My strong passion for music, the arts, and different cultures has fueled my desire to help people better understand themselves and others. I hope that through my work at Frankfort-Schuyler, I can accomplish this!

Fun Facts

- I am the 3rd of 4 brothers.
- I love to cook, read, draw, play tennis, and play music.
- I play the bass guitar, acoustic guitar, and a vast collection of folk instruments from around the world.
