

Frankfort-Schuyler Central School Committee on Reopening School

The Frankfort-Schuyler Central School District is taking a deliberate and proactive approach to reopening of schools in September. The District has formed the Committee on Reopening Schools. Committee membership includes primary, intermediate and secondary teachers, guidance counselors, school nurse, the Committee on Special Education Chairperson, the School Business Official, Principals and the Superintendent of Schools. The committee will develop a reopening plan, which will focus upon the following components:

- Operations
- Safety
- Health Protocol
- Prioritization of Curriculum
- Instruction: including, but not limited to, schedules, virtual learning, blended instruction
- Social Emotional Learning of Student Support
- Students with Disabilities and English Language Learners
- Parent and Community Outreach
- Community use of facilities
- Student co-curricular and interscholastic activities
