

Meet the Teacher

Welcome to my class

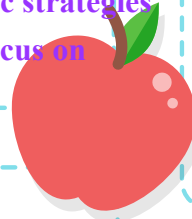

Welcome to Middle School! My name is Mrs. Bick and I will be teaching Reading and Study Skills for 6th grade.

In Reading 6, the goal is to enhance and nurture a student's appreciation for reading. A variety of novels and supplemental texts/materials to correspond to concepts covered in the novels (such as articles, poems, videos) may also be used.

Study Skills is a 10-week class in which students will learn specific strategies to help them become successful in Middle School. There will be a focus on organization and student-readiness skills.

About me

Many of you know me from my many years of substitute teaching at the elementary school--I remember you, too! I live in Frankfort with my husband and my two children. My son, Colin, is in tenth grade, and my daughter, Corinne, is in seventh grade. We just added a new member to our family this summer, a puppy named Maisey. Boy, does she keep us busy! One of my favorite things to do when I'm not working, or spending time with my family, or volunteering in the community is **READING!** My family and I like to spend time hiking and enjoying nature. Spending time with my family is my favorite thing to do.

My name is

Mrs. Nikki Bick

My education

Bachelor of Science in Elementary Education: State University College at Oneonta

Master's Degree in Education: College of Saint Rose

NYS Certification: Grades 1-6

Contact info
