### Contingency Plan for Unused Emergency Days

March 15, 2024

Dear Frankfort-Schuyler School Community,

Currently, the Frankfort-Schuyler Central School District has three emergency / snow days remaining for the 2023-2024 school year. We wish to provide you with a contingency plan in the event that we do not need to use all, or any more, of the remaining emergency days. This will allow you, our family partners, to plan in advance. As you know, our school year is comprised of 180 days. To assure we meet the 180-day requirement, please review the below scenarios for use of these days should we not use any, or all, of our remaining emergency / snow days:

- If we do not use another emergency / snow day, the FSCSD will be closed:
  - Monday, April 8<sup>th</sup>, which is the Monday following Spring Recess, **1/2 day ONLY**. Elementary will dismiss at 10:30AM and Secondary will dismiss at 11:00AM
  - Friday, April 26<sup>th</sup> – we will be closed **FULL day**
  - Friday, May 24<sup>th</sup>, which is the Friday before Memorial Day, we will be closed **FULL day**
- If we use one of our remaining emergency / snow day, the FSCSD will be closed:
  - Monday, April 8<sup>th</sup>, which is the Monday following Spring Recess, **1/2 day ONLY**. Elementary will dismiss at 10:30AM and Secondary will dismiss at 11:00AM
  - Friday, May 24<sup>th</sup>, which is the Friday before Memorial Day, we will be closed **FULL day**
- If we use two of our remaining emergency / snow day, the FSCSD will be closed:
  - Monday, April 8<sup>th</sup>, which is the Monday following Spring Recess, **1/2 day ONLY**. Elementary will dismiss at 10:30AM and Secondary will dismiss at 11:00AM

The weather in March and April is unpredictable and we may end up requiring the use of some or all of these days. However, if winter continues to be calm and spring comes in the same, the FSCSD will be closed on the above dates and we wanted you all to have this information well in advance for planning purposes.

- Please note we keep one emergency day as a precaution in case of a power outage, water main break, safety issue or other incident beyond our control causing us to close after Memorial Day.
