The Frankfort-Schuyler Central School District Board of Education has adopted the proposed 2019-2020 School District Budget. The proposed budget is $19,558,257, with a projected tax levy increase of 1.72%.

Please note that this tax levy increase is the legally permitted tax cap levy. As a result, tax payers will be eligible to receive a tax rebate check from New York State.

This adopted budget continues to balance the educational needs of our students with the need for fiscal responsibility and accountability. As a result of your continued support, the District has been able to provide a quality instructional program and a variety of extracurricular activities and athletics.

This budget provides for the continuation of the nationally-recognized Project Lead the Way program, driver's education, our visual and performing arts activities, Advanced Placement and College Now courses and opportunities for job shadowing and job internship programs.

The Board of Education appreciates the support the community has provided to our students. We look forward to your continued support.

Respectfully Submitted,
Lisa Morgan, Board of Education President
Joseph Ciccone, Board of Education Vice President
Dominick Bellino

Frankfort-Schuyler Central School/ Frankfort Kiwanis Club

The Frankfort-Schuyler Central School District, in partnership with the Frankfort Kiwanis Club, sponsors three student community service groups: Key Club (at the High School), Builders Club (at the Middle School) and K-Kids (at the Elementary School). All three groups have been very active throughout this school year.

For the third consecutive year, Key Club members participated in the Making Strides Against Breast Cancer Walk. Members also supported the Elementary School PTO by volunteering during the school's annual Fall Fest in October. In cooperation with the Friends of Rachel Club, Builders Club and National Honor Society, Key Club members participated in Unity Day, an effort to promote anti-bullying activities district-wide. Members also assisted with the annual Gram Lorraine program, which serves to provide clothing and gifts for students at Christmastime.

The Builders Club supported the Feed Our Vet Food Drive and the Kiwanis Food Drive. Members collected items for Chemo Comfort Bags, which include items such as snacks, skin care products, hats, water and blankets for patients receiving treatment for cancer. The Builders Club also held fundraising activities to support programs including Amazing Gracie's Gift Foundation, which provides support to children and families fighting pediatric cancer.

K-Kids Club has been very active in the Elementary School. Students have participated in the Adopt a Veteran program, Operation Candy Cane and the Kiwanis Food Drive. Students also held a pet food drive to benefit the Humane Society, supported Cody's Walk and decorated luminaria for the American Cancer Society.

Mock Trial Program

The Frankfort-Schuyler High School mock trial team recently completed a very successful 2018-2019 tournament season, finishing with an undefeated record and will soon be participating in playoff competition against other schools.

The New York State Bar Association, The New York Bar Foundation and The Law, Youth and Citizenship Program co-sponsor mock trial competitions. The goals, as presented by their prepared brochure are to provide high school students with an opportunity to gain first-hand knowledge of civil and criminal law and courtroom procedures. Students learn about ethics, civility and professionalism, court procedures, laws and engage in many public speaking activities. The competition, which focuses on the preparation and participation of a hypothetical courtroom trial, allows participants to assume the roles of judges, attorneys and witnesses while arguing a case.

The 2018-2019 team members included: Lars Bennett, Olivia Bongiorno, Victoria DeLuca, Nicholas Duffy, Stephanie Guseva, Diana Lubezhanina, Joseph Parrotta, Giovanni Randazzo, Nick Randazzo, Doug Roser, Stephanie Smithing, Kylie Wren and Brady Zahniser. The team was coached by local Attorney Frank Madia and Joseph Minosh.

Congratulations to all on a great season!

Who is a Qualified Voter

A qualified voter is a person who is a citizen of the United States, at least 18 years old, and a resident of the District for at least 30 days prior to the vote.

Absentee Ballots

Absentee ballots are available. Applications for an absentee ballot must be received by District Clerk Mrs. Giordano, by May 15, if the ballot is to be mailed to the voter, or by May 20, if the ballot is to be issued to the voter in person. The ballot itself must be received by District Clerk Mrs. Giordano, or her designee, by 5:00 p.m. on May 21, 2019.

School Board Candidate Bio

Michael Clements

Michael Clements is a graduate of Frankfort–Schuyler Central School Class of 1975. Mike is currently a member of the Board of Education, serving this District for the past six (6) years. Mike is also a Board Member of the Herkimer BOCES Board of Education. Mike is a life-long resident of this District, lives on the family farm with his wife Mary. He has four children, the youngest, Emma, still at home. Mike works for the United States Postal Service where he has been employed since 1984. Mike’s present position as District Representative for the National Rural Letter Carriers, represents over 1000 Rural Carriers in the Albany District involving Union matters. Mike is a member of the Herkimer county Farm Bureau, is County Secretary and on the State Membership Committee. Also, an active member of the NYS Beef Producers Association. Mike is also on the Town of Frankfort Cemetery Committee. Mike looks forward to continue working with everyone in the District.

What is a Contingency Budget?

The contingency budget funds only salaries and those items the Board of Education deems to be “ordinary contingent expenses;” examples of which include legal obligations and items necessary to the maintenance of a school district’s educational programs, the preservation of school property, and ensuring the health and safety of students and staff. Additional examples of “ordinary contingency expenses” include, but are not limited to: legal obligations such as: social security and recruitment, payroll taxes and collective bargaining unit, student transportation, textbooks, library books, cafeteria expenses, interscholastic athletics and other extracurricular expenses. Examples of expenditures that are NOT “ordinary contingent expenses” include: new equipment purchases, public use of school grounds and facilities (except where there is no cost to the district), pupil supplies (i.e., writing pads, composition paper, index cards, etc.)

A Contingency Budget would result in a reduction of $134,044.

The Frankfort Free Library

The Frankfort Free Library is requesting the Frankfort-Schuyler School Board include on the school budget ballot a referendum to increase the library tax levy for the Library. The additional levy will add a total $3,000 to the current levy. Residents can expect to see an average increase to the levy of $0.01 per thousand assessed value. All tax levy monies are used for library operations.

The Library is currently undergoing a renovation to improve accessibility to the lower level of the building. It is anticipated that the work will be complete by early summer and the handicap lift will be operational. All library operations will continue throughout the construction. As a reminder, all library programming is provided at no charge to the community.

The Early Literacy program continues to meet two days per week. Sign-ups for next year’s sessions will be held prior to the end of this school year. Afterschool and early evening craft, game and movie programs continue be held regularly. Plans are currently in progress for this year’s summer reading program and the theme will be “A Universe of Stories.” Program activities for children of all ages will begin after the July 4 holiday and run until mid-August. The calendar will be released prior to the end of the school year. Look forward to another series of outside movies in August. Residents are encouraged to offer ideas for additional programming. Visit the Library’s website (www.midyorklib.org/frankfort) or Facebook page (“Frankfort Free Library”) for the latest information and events. The Library Board and staff thank everyone for their continued support.

The Frankfort Free Library Vote

Public Libraries have the right to present a resolution for voter approval, which gives the voters an opportunity to decide whether or not to increase the tax to provide funds for the Library. According to Education Law, the Public Library has the right to request the School District to levy taxes on behalf of the Library.

Please note the following:

- The Public Library resolution and vote will be found on the School Budget Voting Ballot.
- The vote and resolution, however, ARE NOT part of the School District Budget.
- If approved by the community, the Public Library Resolution will have NO IMPACT on your school taxes.
- The Public Tax Levy is NOT part of your School District Tax Levy.
- If the Public Library Tax Levy is approved, residents can expect to see an average increase of $0.01 per thousand assessed value. All tax levy monies are used for Library operation.
- The Library Board will hold a Public Hearing at 6:30 p.m., on April 25, 2019, at the Library (123 S. Frankfort Street) to discuss the tax levy increase.
